

# Hang RFID Label

Dipole HANG is a family of hang tags, also known as cardboard tags, hang tags, or smart tags.

Dipole offers you the family of RFID HANG tags of various sizes and materials. These RFID labels are ideal for use in clothing, footwear, accessories, home or toys. These types of labels allow you to get branding and important information about the product. The technology allows the label to be read

during the production processes, logistics chain, storage and inventory, sale and post-sale. It is fully customizable and easy to use and apply.
