

# RFID Label Shoe Tag

Dipole's RFID Shoe Tags are designed for specific use in sports shoes, allowing the timing of a multitude of tests.

Dipole's RFID Shoe Tag has UHF technology and has been designed to be the most accurate on the market, with a high reading reliability ratio.

They are designed so that they can be easily adapted to any sports shoe, in addition

to being customized with the materials and sizes that are required. We offer a personalized coding and printing service with the logo and corporate colors, if necessary.
